

The Country Club

A model pleasure home - Transformation at the Dewint homestead

April 5, 1902

The Capt. Arthur Dewint homestead on the North Avenue has been transformed into a model pleasure home for the members of the Southern Dutchess Country Club, an organization composed of the leading young people of the town. The ancient building has been refitted and altered to suit the needs of the club. The finishing touches were being made this week.

The place is located in an ideal section of the village, being but a few minutes walk from the post office. It is anticipated that the young people will spend many a pleasant hour in their new home.

Edward L. Jayony has the contract for the carpenter work. A piazza 16 by 50 feet has been added to the north side. It is large enough to be used for dancing, and is to be enclosed during cold weather. It can also be used as a grandstand by spectators of tennis and other outdoor games.

The bowling alley has been erected on the south side. The building is about 87 feet long, and is connected with the main club rooms. The bowling alley is of regulation size, the part, this part of work being done by W. G. Dillingham, of No. 42 South Street, New York, who makes a specialty of this work. It has a fine yellow pine roof, with maple doors at front and rear. The floor is almost as smooth as glass.

The caretakers of the club are Mr. and Mrs. G. H. Williams, who find plenty to do to keep everything in shape.

On the first floor of the main building is to be found the ladies reception room and parlor. It is cozily furnished and contains a piano.

A general reception room adjoins it, also a private card room and pantry.

There is also a game room on the first floor, Ping-Pong, a new and attractive game, being, one of the leading sports.

On the second floor is the ladies dressing room, nicely furnished, and a little room containing lockers and washing apparatus.

The gentlemen also have a dressing room with lockers, showers, bath, etc.

The grounds and Building are provided with electric lights.

Mr. and Mrs. Williams have pleasant living rooms in the basement.

The painting is being done by T. T. McGiasson.

On the grounds will be courts for tennis and other games of a like character.

Formal Opening of Country Club

April 12, 1902

The members of the Southern Dutchess Country Club participated in a delightful and most pleasant affair at their Club House on North Avenue on Thursday evening. It was the formal opening and reception to the members, about 125 being present. It was a purely family affair, none outside of the membership being invited.

The large porch on the north side has been enclosed with canvas, and here dancing was indulged into the strains of Prof. Collins orchestra. The reception began at 8 o'clock and continued for several hours. Light refreshments were served. A few of the gentlemen could not resist the temptation to try the new bowling alley, and for a time there was great sport in rolling the balls.

The Club now has 179 members and is in a flourishing condition. It is one of the finest Country Clubs in the state. The tennis and rogue courts are being laid out, and as soon as pleasant weather sets in they will be freely patronized by the members. The grounds are also being nicely graded.

By a margin of points the Middletown Golf Club team defeated the Dutchess County Golf and Country Club team yesterday on the links of the Southern Dutchess Club Beacon. The play was of the closest variety at all stages and the final cards turned in showed Middletown with 15 points and the local golf team with 13 points.

While considerably shorter than the course here and the one in Middletown the course at Beacon brought out some expert generalship from members of both teams. Lunch was served before the matches were started and the losing teams signed the checks for the lunch and paid the caddies check.

The event was a 36-hole middle handicap and the field constituted about twenty of the best exponents of the game the Beacon club has on its roster. The play took two days, starting Wednesday and finishing late Thursday, E. Vail Watson who was low man in the handicap with but six strokes to his credit, finished a close second and rushed Blackburn all the way for the honors.

Floyd "Jinx" Nolan Wins Golf Championship Of Southern Dutchess By Defeating Nelson

October 27, 1926

PEN

(Special to the Eagle-News)

Beacon, Oct. 26.--Floyd "Jinx" Nolan, a 19 year old golfer, today wears the crown of the Southern Dutchess Country Club. He defeated Howard Nelson, 17, in the finals of the club tournament conducted here Sunday after all of the club's leading contenders had been eliminated in the early rounds. Nolan's victory over Nelson was accomplished over the 36-hole course, the score being 10 up.

Nolan, formerly a caddie at the Southern Dutchess Country Club, performed sensationally in winning his way to the finals and in his match against Nelson displayed a high caliber brand of golf to sweep his opponent from the course. Nelson, too is a former caddy and with the exception of Sunday, played a brand of golf that caused the downfall of many of the club's leading performers.

Among those who fell before Nolan and Nelson in the tournament were E. Vail Watson, former champion, Richard Scheckenberger, J. Louis Bolton, W. B. McNamara, and Bertram Smith. The tournament started three weeks ago.

Youngest Titleholder

In addition to winning the club title, Nolan won the distinction of being the youngest champion ever crowned at the Southern Dutchess Club. He bids fair to follow the footsteps of Larry Sovik, present champion of the Dutchess Golf and Country Club of Poughkeepsie, who like Nolan, got his start at the links of the local club. Sovik, unable to defend his title in Poughkeepsie this year saw it pass to Noel de Cordova.

Sovik inability to reach Poughkeepsie in time for the match was caused by his appearance in the intercollegiate golf tournament in which he was runner-up.

Farrell Defeats Golden on Beacon Golf Links Yesterday by 3 and 2

Former Sets New Mark for Nine Holes With a 31 While He Equals 18-Hole record

May 16, 1927

PES&E

BEACON, May 16. Revenge is sweet, and Johnny Farrell, who was defeated by Johnny Golden in the play off for the \$4,000 purse in the Southern Open Championship tourney, gained him when he conquered the latter at the Southern Dutchess Country Club by 3 and 2. Farrell played brilliantly after his poor start and went three under par on the

homeward journey to equal the course record for the 18 holes with a 68 and break it for nine holes with a 31.

The Quaker Ridge golfer, not familiar with the nine-hole course at the start improved steadily as he progressed and finished in whirlwind fashion, On the other hand, Golden who is a native of the district, and familiar with the course, began with a burst of speed by winning two holes in rapid succession, but Farrell's sparkling performance was more than Golden could match.

Golden speedily won the second, third holes, Farrell took the fourth and the score remained at that stage for the rest of the first round. Clipping strokes off par on the homeward trip Farrell won four holes while Golden failed to take a single one. They finished on the sixteenth green, but played out the round by having the next two.

First Hole Halved.

To start off the engagement both golfers equaled par with fours on the 424-yard first. On the second, a short 180 yard hole, Farrell hooked his iron shoe and Golden's three took the hole. On the third, a 325-yard hole, both drove well, but Farrell's second shot dropped short.

The Quaker Ridge golfer cut his opponent's lead in half on the fourth. Golden hooked his second shot while Farrell equaled par to win the hole. They went along at an even pace for the rest of the round going one over par on the sixth but equaling it for the rest of the trip. They finished the out journey with cards of 36 for Golden and 37 for Farrell.

For the first two holes of the in round they attained par figures to halve the holes. To open the twelfth Golden hooked his drive into the heavy rough and failed to get on with his second shot. Farrell then evened the course with a par four. Golden hooked his drive on the thirteenth into a trap and another par four for Farrell placed him in the lead, 1 up.

Golden Takes Fifteenth.

The fourteenth was halved and on the 165-yard fifteenth Golden made a par three but Farrell drove to within three feet of the pin and dropped in his first putt for a birdie two.

The fifteenth was the reduplication of the preceding hole. Golden made a par four and Farrell secured his second birdie, holing out a fifteen-foot put to win the match.

The cards:

Par - Out	4 3 4 4 3 3 4 4 5--34
Farrell	4 4 5 4 3 4 4 4 5--37
Golden	4 3 4 5 3 4 4 4 5--36

Southern Dutchess Golf Finals Tomorrow

PES&E

(Special to The Evening Star)

Beacon, May 29, - Indications point that the largest crowd ever will turn out for the annual Kickers' Handicap Sweepstakes tournament of the Southern Dutchess Country Club, a time honored Memorial Day event locally. Gordon Flannery, Fred Hadian, Alex Frame and Lewis R. Coldwell are tied for first place at the top of the heap.

Crowds have gathered on the links both Saturday and Sunday in spite of the weather and a huge jam is expected tomorrow, the uncertainty of the match being one of its greatest attractions. The four, who are tied for first, must retain the same handicaps which they have used throughout the match and play at least nine holes. The time for starting will be arranged at their own convenience.

Aside from the four who are tied for first place two more are tied for second and three players are neck and neck for third honors.

Golf More Popular Than Ever Before

September 30, 1928

Golf may become the popular sport in Dutchess County within the next two years. Of course, the game has already cut a wide path into the sporting ranks and baseball has felt it.

There are hundreds playing the game in Poughkeepsie now but there will be thousands teeing off on the various links in the county if the present rush keeps up. The Dutchess Golf and Country Club was one of the earliest clubs in the vicinity and the first organized matches to be played hereabouts were played on the South Road links. Then courses were opened at Millbrook, Beacon and Pawling, and the demand for links is still great.

James J. Corbett, the heavyweight champion of the world, a number of years ago is having engineers map out an 18-hole course near Wappingers. A. New York syndicate plans another course at Highland.

Lafayette Haines, too is thinking of opening a public links on the Pleasant Valley Road. He said recently that if he received enough requests he would have a course started near Pleasant Valley. So it appears that the game will be the most popular of them all in a few years and justly so for it can be played by the old and young alike and requires plenty of skill and sometimes endurance.

At the present time Longo is at Sylvan Lake and can arrange at any time to meet MacDonald or McNamara of the Dutchess Golf and Country Club. The other afternoon while playing over the Beacon course Longo went around in 69. The par for the course is 71.

NOLAN DEFENDS GOLF CROWN IN CONTEST TODAY

Champion Confident of Winning Beacon title

October 5 1930

The final round of match play in the annual championship tournament of the Southern Dutchess Country Club will be played today at Beacon it was announced this morning by the golf committee. In the event of rain the match will be postponed until the following week.

"Jinx" Nolan, present titleholder, is already assured of a place in the finals. His opponent will be either Phil Ferry or Vinnie Cahill.

Expect Close Match

That the championship round will produce a close match seems certain, as both Cahill and Ferry are capable of playing good golf

Nolan has been playing excellent golf during the tournament thus far, and has disposed of most of his opponents with ease. He caught a Tartar, however, last weekend, when he ran into Bill McNamara, and won out by the scant margin of one up. Unless he

is playing at the top of his game today he may find difficulties in the way of his retaining the title.

The final round will consist of 36 holes match play. The first 18 holes will be played in the morning, beginning at about 9:45 o'clock, and the second 18 will be played in the afternoon. There will be no charge made for admission to the match, but there will be a voluntary subscription.

it is expected that the final match will attract a considerable gallery. Nolan's caliber as a golfer is well known, and either Ferry or Cahill should prove a good drawing card. The former recently won the club championship at the Hill and Dale Country Club, Carmel, while the latter is a former Southern Dutchess Club champion.

GOLF TEAM IS AGAIN PROPOSED

Beacon High Plans to Take to Links

March 30, 1931

PES&E

With the announcement that Beacon High School will form a golf team again comes agitation for such an outfit at Poughkeepsie High School.

Last year a number of students rose up in arms and wanted a club to wear the colors of the Blue and White on the links. Many of the younger golfers tried but the school season grew late and nothing was done.

One of the chief objections was that the school could find no likely opponents. Now with Beacon being represented, along with several other valley schools, fans sit back and await developments.

"Jinx" Nolan and "Vinnie" Cahill, rated as the best golfers at the Southern Dutchess Country Club have accepted a challenge to Meet N. Otis Rockwood and I. B. Venable, Poughkeepsie stars, in an 18-hole match. The match will be played off at the

Dutchess Country Club, the Poughkeepsians' home course, on Sunday afternoon, October 4.

Rockwood and Venable have agreed to meet the Southern Dutchess golfers in a return match at the Beacon course. The date of the latter has not been set, and probably will not be agreed upon until after the first match. The matches will be played on a best ball basis.

A fairly large crowd of Southern Dutchess members are expected to follow their favorites to Poughkeepsie. The match should attract a big gallery of golf enthusiasts from the mid-Hudson Valley region, for all four players have more or less of a local reputation. Rockwood is the mid-Hudson Valley champion, while Venable was runner-up to him.

The match with the Poughkeepsie stars will be the second such contest this summer for the Southern Dutchess golfers. Earlier in the season they broke even in a home-and-home match played with Vail Watson and Jackie Cahill, Morristown Pros. The match was for a \$100 side bet. A deciding match was to have been played on a neutral course, but was later called off.

More than passing interest has attracted itself to the golf match to be played here Sunday afternoon between "Jinx" Nolan and Vinnie Cahill, Southern Dutchess stars, and N. Otis Rockwood and 1p.m. "Budd" Venable, Dutchess Country Club favorites. The match, it was announced today, is scheduled for 1 p.m.

Members of both clubs are keenly interested in the outcome of the match, and the Poughkeepsie club will make something of a feature of the event. A large gallery, including a goodly representation from Beacon, is expected to follow the four players, who are among the best golfers in the mid-Hudson Valley.

The match will be an 18-hole best ball affair.

The meeting between the Beacon and Poughkeepsie players was arranged after members of the former club had touted their favorites in Poughkeepsie. Rockwood and Venable immediately issued a challenge to the Beacon golfers who as quickly accepted the defy. A return match will be played later in Beacon.

"JINX" NOLAN TO ENTER TOURNEY

Beacon Golfers Plans for Metropolitan Play

July 9, 1932

PES&E

(Special to The Evening Star)

BEACON - For the first time in its history the Southern Dutchess Country Club may have an entry this month in one of the major golf tournaments of the east.

If Floyd "Jinx" Nolan, club champion and well-known Hudson Valley golfer, continues the pace that he has been hitting for the past few weeks, there is every

possibility that he will be an entry in the Metropolitan Open Championships, to be played off July 14, 15 and 16, over the Lido Course on Long Island.

Urged to by other members of the club to send in his entry, Nolan said today he may accede to the request of follow members and enter the tournament.

The sentiment in favoring of Nolan's entry has been greatly increased by the performance he turned in ever the past week end, when he equaled the Southern Dutchess Club course record of 32, set some time ago by Johnny Farrell. In addition to that feat, Nolan has been playing a consistently good game, has been hitting his drives long and true, and has been chipping them up to the pin with deadly accuracy.

In carding his 32, Nolan turned in four three's and five four's, shooting two birdies and hitting par on six of the remaining seven holes. He was one over par on that hole.

Nolan's card for the nine, compared with par, follows:

Par	4 3 4 4 3 3 4 4 4--33
Nolan	4 3 3 4 4 3 4 3 4--32

Nolan made the record--317--equaling score on Sunday, in the semi-final of a three-day handicap elimination tournament. He was playing in a foursome with County Judge Flannery, Alfred H. Benson and James Lynch, Jr.

"JINX" NOLAN IN TOURNEY TODAY

To Take Part in Feature of First Round

July 14, 1932

PES&E

Final arrangements for the entry of Floyd "Jinx" Nolan, Southern Dutchess Country Club champion, in the Metropolitan Open to be played over the Lido Club course on Long Island, were completed yesterday when Nolan visited the offices of the Metropolitan Golf Association in New York City.

Nolan, playing under the banner of his home club, started at 11:55 this morning in a three-some with the Garden City, L. I., Country Club pro, and a Long Island Amateur whose name could not be learned.

Officials of the golf association wanted to pair Nolan with Johnny Golden, formerly of the Southern Dutchess club, but "Jinx" felt that it would be wiser to play with strangers in this, his first invasion of "big time" golfing circles.

There will be two days of qualifying play, today and Friday. Eighteen holes will be played on each of these days with the 36 hole final on Saturday.

More than 100 golfers including practically every well known pro and amateur in the country, among them Gene Sarazen, British and America open champion, are entered in the event.

JINX NOLAN SETS RECORD AT BEACON

Cards 67 in Match To Establish New Mark

July 31, 1932

BEACON--A new record for 18 holes of play over the Southern Dutchess Country Club Links was created during the past week by Floyd "Jinx" Nolan, youthful club champion.

Playing in a foursome with Vincent Cahill, Jack Cahill and Joe Loffay, Nolan turned in a card of 67, one under the old record of 68 held by Vincent Cahill.

"Jinx" scored a cool 33, equaling par figures, on the outgoing nine, and added a 34, one over par, coming in.

On only three of the 18 holes did Nolan go over par. He had 5's on the fourth, the 13th and the 17th. But to partially made up for this he rang up birdies on the first and fourth holes. The remaining 13 holes were played in par figures.

Recovers Nicely

A remarkable recovery on the 18th made the new record possible. Nolan put his drive in a trap behind a high bunker more than 250 yards out from the tee. He used a number seven iron on his next shot and dropped the ball on the green only four feet from the pin and went down in four after missing the short putt for a birdie three.

Vincent Cahill shot steady golf on the incoming nine and turned in a 35. He went one over par on the second with a four and one over on the third with a five.

Nolan and Loffay had a best ball of 65 for the 18 holes.

Nolan's card:

Out	4 3 3 5 3 3 4 4 4 -- 33

Golden to Appear at the Beacon Course

June 19, 1933

PES&E

(Special to The Evening Star)

BEACON - Professionals and leading amateur golfers from all parts of the Hudson Valley will gather at the Southern Dutchess Country Club here on Sunday, July 9, to see brawny Johnny Golden, nationally known links star, and hero of Ryder Cup matches, team up with Harry Vinal, Jr., home club pro, against J. Lewis Bolton, Beacon, and Noel de Cordova, Poughkeepsie, two leading Hudson Valley amateurs.

De Cordova won the Hudson River Golf Association crown in 1932 and is a former Dutchess Country Club champion. Bolton was runner-up to "Jinx" Nolan in the finals of the Southern Dutchess championship tournament a year ago.

Appearance of Johnny Golden on his old course in Beacon never fails to bring out the golf enthusiasts of the valley for the husky links luminary is not only popular for his ability as a club swinger but is well liked personally.

Golden has won nearly every major money prize in golfdom. Only a year ago he captured the \$10,000 Agua Caliente Championship in a playoff with George Von Elm and then spilt the spoils with his opponent.

Johnny is a protégé of Harry Vinall, Sr., father of his partner in the coming match. Golden was for some time assistant pro of the Southern Dutchess Club.

Young Harry Vinall will make an excellent partner for Johnny. Harry is playing consistently good golf this year.

That Bolton and de Cordova will give the pros a tough match is a foregone conclusion. The former is hitting his best form at the present time. De Cordova, too, is playing good golf. In his first time around the Beacon links a week ago he turned in a cool 74.

Sunday, July 16, has been set as the date for the match in event of postponement.

BEACON GOLFERS SIGN FOR MATCH

Will Meet Lake Osiris Team on July 30

June 19, 1933

PES&E

A golf team representing the Southern Dutchess Country Club of Beacon will invade Orange County on Sunday, July 30, meeting the Lake Osiris Country Club golf team on the Lake Osiris links near Walden.

The Beacon golfers will find themselves confronted with a tricky nine-hole layout that will test the caliber of the best of shot-makers.

Perhaps the trickiest hole at Lake Osiris is the 8th, a short mashie-niblick pitch from tee to green. The green is small and is trapped on the back and on the sides. Only a few yards in front of the green is a formidable bunker.

After taking a crack at the Lake Osiris layout July 30, the Southern Dutchess mashie swingers will give the Orange County golfers a chance to try their skill on the Beacon links in a return match.

The coming match at Lake Osiris will be an 18 hole affair with the players teeing off between 9 and 9:30 a. m. At noon the Beaconites will be the guests of the Lake Osiris team.

Plays In Beacon; John Golden

STAR GOLFERS IN CLASH TODAY AT BEACON CLUB

Golden, Vinall, Bolton And De Cordova Will Play

July 9, 1933

Noel De Cordova, Hudson River Golf Association champion, and J. Lewis Bolton of Beacon will meet Johnny Golden, winner of the Aqua Caliente open last year and Harry Vinall, Pro at the Southern Dutchess Golf and Country Club, in an exhibition match at Beacon this afternoon at 2 o'clock.

The match is expected to be played before one of the biggest crowds of the season as all four players are considered great shotmakers and will give an exhibition that will be a battle from the start to the finish.

Golden, one time assistant pro at the Beacon Club, is rated as one of the outstanding players in America while Vinall his partner is also an outstanding star.

De Cordova will have a big following too as his recent up hill fight against E. W. Searle of Yonkers in the Hudson River Golf Association match at the Rockland Country Club in which the Poughkeepsian retained his association crown was one of the best bits of golf seen in the Hudson Valley in years. At the start of the second eighteen holes in the afternoon of play De Cordova lost seven holes in a row only to come back and beat his opponent 1 up on the 39th green.

Golden broke par for the course by one stroke with a 65, while de Cordova, Hudson River Golf Association champ and a member of the Dutchess Golf and Country Club, Poughkeepsie, turned in a 70 for second low. Bolton's 71 was next with Vinall's 76 trailing. Golden went out in 32 and came back in a 33.

The climax came on the 18th when Golden landed in a trap about 150 yards from the green. Displaying fine skill in pitching out, he landed one yard from the pin, clinching the match.

De Cordova performed another fine piece of work when he sank a 25-yard approach shot for a three after Golden was a yard away from the pin on his second shot.

A gallery of nearly 150 followed the golfers.

Four Clubs Join Circuit---Others May Enter

April 8, 1934

BEACON.---Final arrangements for the proposed Mid-Hudson 4-Ball League will not be completed today. Meeting of the club representatives scheduled for the Newburgh Country Club, this afternoon, has been postponed one week by Jack Mullens of Cornwall, chairman of the organization committee.

Rather than discouraging the postponement is heartening to the organizers and enthusiastic joiners of the circuit.

Directors Meet Soon

Both Powelton and Orange County committee are scheduled to meet early next week. In both clubs a good number of golfers have voiced approval of the new form of competition and only the permission from the governing bodies of their groups is necessary to definitely name them in the league.

Southern Dutchess of Beacon, Storm King of Cornwall, Newburgh Country Club, and Central Valley are all in the swing, being among the first signers. Monroe has not been heard of recently, but reports have it that members advocate the league and that Tommy Goodwin, who has been taking tournament victories in the south all winter, has advised entry.

Powelton, the Leader

The entry of Newburgh's Powelton Club, golf leader in this section since golf was known here, would insure the league's first season success. The Balmville club has an exceptionally fine battery of young golfers upon whom the honor of forming a team and carrying on league competition may rest.

NOLAN IN FORM

Takes P. Selleck 2 and 1, to Play For Title

August 11, 1935

BEACON, Aug. 10--Floyd "Jinx" Nolan and Lou Bolton came through this afternoon to win in the semi-finals of the first flight of the tournament being held at the Southern Dutchess Country Club, Beacon, to determine the club champion for this year. Nolan seeming to have recovered his game defeated Preston Selleck 2 and 1. Bolton, the defending champion, defeated Joe Tomaselli in a close match, which was followed by a large gallery. He won 5 and 3. Tomaselli has been playing a fine game this year and was conceded a good chance of coming away with the club championship. Bolton, playing in fine form, had no particular difficulty in defeating the youngster this afternoon to gain the finals against Nolan. Tomaselli made one of the most beautiful shots of the afternoon when he made a perfect pitch shot to the green after having dubbed his drive from the fifth tee. The presence of Joe Vallo in the first flight ranks has been missed by many golf followers. Vallo was unable to compete in the tourney. All the matches played this afternoon were 18 hole matches. The finals, to be played tomorrow afternoon between "Jinx" Nolan and Lou Bolton, will be a 36-hole match. The finals of the second flight will be an 18-hole match.

In the second flight competition this afternoon John Palisi and Gus Kaufman reached the finals by defeating Supple and Scofield in the order named. Palisi had Supple 5 and 5 and only managed to win by the score of 2 up. Scofield made a remarkable comeback in his match with Kaufman. He was five down for the first nine and allowed Kaufman to win by the score of only one up. All the matches were close and provided plenty of thrills for the gallery following the players.

In the beaten eight matches Thomas DeLaire defeated Ed Grady 5 and 4 and Lewis Coldwell defeated Tex Smith.

Beats Joe Vallo In Final Rounds At College Hill
State Amateur Champion Shoots Eagle, Par and Birdie
To Start Last Eighteen Holes

July 5, 1936

Ray Billows, Poughkeepsie's golf king and New York State amateur champion, added The Sunday Courier's first annual Dutchess County amateur tournament to his laurels at College Hill yesterday, defeating Joe Vallo of Beacon in the last 18 holes of the 36-hole finals. The first 18 holes, played Friday night, ended even up.

Billows was a ball of fire as he began yesterday's play, taking the first five holes with an eagle, a par, a birdie and two more par's. The Poughkeepsie's first drive landed well upon the green, enabling him to hit the cup on his second shot with a skillful putt. Billows repeated the feat with a birdie on the par-3 third hole and made par on the fourth and fifth. Vallo, apparently nervous at the outset, did not reach his stride until the sixth hole, in which he broke even, and took the seventh and eighth to finish the first round four down. The Beacon ace required 43 strokes to Billows 35 for the round.

Shooting a par four on the 306-yard tenth hole, Billows increased his lead to five holes at the start of the second round. The state champion shot one over par on the eleventh and two over on the twelfth, the Beacon star taking both holes, but Billows regained his form to break even on the next and take the fourteenth with another birdie. The match ended on the fifteenth hole, 4 and 3.

Tom McCarthy, manager of the course, awarded the Sunday Courier silver cup to Billows at the end of the match and presented a smaller trophy to the runner-up. Approximately 200 followed the finalists around the course and nearly 150 watched the playing of the first 18 holes Friday night.

Billows provided a highlight of the first day's play when he shot over the trees on the eighth. As in the final rounds yesterday, his driving was brilliant but his putting was weak.

In his 18-hole semi-final match with Jinx Nolan of Beacon Wednesday night, Billows shot a 69 to win 6 up. Nolan's total was 73.

The scores:

Wednesday:	Billows	3 4 3 4 4 4 3 5 3 -- 34

Southern Dutchess Set For Big Season

April 10, 1937

PES&E

The Southern Dutchess Country Club golf course opened for play today, J. Louis Bolton, chairman of the greens' committee, said this morning.

An inspection of the nine-hole layout on North Avenue showed that it is quite dry for this week of the year. Last season rainy weather postponed the opening until late in April. Pro Jim Floyd and his staff will spend much time on the course during the next few weeks, so as to have it in top shape when tournaments get under way.

The entire course was ready today with the exception of the tees. Substitute tees were in service. The greens were in fairly good condition.

The "golf bug" has been biting members of the club all winter and indications are that they'll flock to the links in large numbers over the weekend, providing warm weather continues. It was a common sight to see a foursome touring the course even in mid-winter.

Normington Schofield, golf chairman, is engaged in preparing an active season of events. Mr. Schofield will announce the club schedule as soon as it is completed. Matches are pending with several clubs in this vicinity.

PES&E

Frank Sheridan, formerly connected with the Craig house golf course, Beacon, and now pro at the H. R. S. H., teamed with John Whalen, prominent bowler and golfer, in defeating Floyd (Jinx) Nolan, former Southern Dutchess Champ and Joe Loffay, present champ, one up, 20 holes at the Hospital links yesterday.

Marking the first exhibition on the new course, the golfers were followed by a large gallery. Nolan sank a chip shot twice from about 40 yards, while Loffay was slow in getting started, not knowing the course, but finished up in sensational style, shooting a par 31 on the last tour.

Sheridan set a new course record with a four-under-par round of 27 on the first nine and a 31 the second time for a 58. For 20 holes he was five under par. Whalen had rounds of 32 and 35, Nolan 31 and 32 and Loffay 33 and 31.

Southern Dutchess Golfers To Form Tee Combine

May 14, 1938

Plans for one of the biggest years since the club was organized, were announced recently by Lewis R. Coldwell, chairman of the golf committee at the Southern Dutchess Country Club. The club membership has been increasing by leaps and bounds, and the club is planning to form a club golf team to compete with other teams in the Mid-Hudson region.

Lewis R. Coldwell, chairman of the golf committee, and his assistants are planning a season-long program of activities. They started the ball a rolling yesterday with the staging of the Red and Green tournament, annual highlight event. From now on there will be plenty doing of interest to club golfers.

Plan Club Team

Tournament chairman, Bob Harrington; handicap chairman, Walt Munson; Joe Vallo, ground rules chairman.

The name of each year's winner will be inscribed on the trophy. The first member winning it three years will take permanent possession. Several other tournaments will be arranged once a list of handicaps is prepared.

The annual club championship tournament will begin unusually early this year. July 29 and 30 have been set days for qualifying. Match play will begin the first week in August with the semi-finals scheduled for August 5 and the finals August 6.

The women will qualify on August 12 and 13. The semi-finals of their tournament are slated for Sunday, August 19, with the finals the day after,

July 22, 1938

PES&E

(Special to The Evening Star)

BEACON--Fred W. Kunze, erstwhile Red Hook Golf Club champion, today is the proud possessor of the 1938 Beacon Lodge of Elks trophy as the result of his triumph in the annual mid-Hudson Elks golf tournament, sponsored by Bean Lodge, at the Southern Dutchess Country Club course Wednesday.

J. Lewis Bolton, Beacon club member and defending title-holder, and Kunze tied for low gross with 76's. Bolton in a sportsman-like gesture, withdrew from competition, leaving the upcounty ace alone at the top of the scoring column.

Dick Tompkins, Newburgh golfer and former Beaconite, captured the J. Gordon Flannery trophy as runner-up. Tompkins carded a 79. Doug Snow of Poughkeepsie tied Tompkins and the pair, decided the winner by tossing a coin.

Despite rain early in the day, which tended to slice the attendance almost in half, the tournament, held in the afternoon, was highly successful. About 40 linksmen teed off in the event.

Numerous prizes were awarded. Joseph Gallo of White Plains won the driving contest off the first tee. A hole-in-one contest on the second hole was won by John Kane, Red Hook Golf Club champion. Doug Snow took laurels in a hole-in-one contest on the sixth. A prize for the nearest in two shots on the ninth went to Jerry Affron, Beacon tennis star.

Prizes in a kickers' handicap tournament went to Joseph Mertz, Joe Vallo, Charles MacDonald of Poughkeepsie, Frank MacNamara, Jr., Ely Gellert of Poughkeepsie, Harry Kane of Red Hook. Dr. Harry Tripp, Charles Conger of Poughkeepsie, Joseph Brown of Poughkeepsie, Homer Price, Joseph Heisler of Poughkeepsie, Joseph Scalento of White Plains, Dr. O'Neil and Joseph Severino of Poughkeepsie, Robert O'Keeffe, Royal Clauss and Robert McCaffrey, Cold Spring, also posted prize-winning scores.

Presentation of prizes took place at the Elks' clubhouse, Tioronda avenue, where a buffet supper was served in the evening. A fine menu was served by Chef James Dondero.

Uncle Don, famous radio personality, who was slated to play in the tournament, failed to come due to the unsettled weather early in the day.

Chairman Lewis R. Coldwell, who annually arranges the tournament, was praised by visiting Elks as well as members of Beacon Lodge for the splendid manner in which the tournament was conducted. Everything ran off smoothly.

Defending Champion Defeats Coldwell To Enter Final

August 6, 1939

Joe Loffay, defending champ, breezed through the semi-finals of the Southern Dutchess Country Club golf title match yesterday afternoon defeating Fred Coldwell 6 and 5. Coldwell, who graduated from high school in June, showed plenty of promise in his defeat, however, and will undoubtedly give a better account of himself after gaining more experience in match play. Loffay carded a 35 and Coldwell a 42 at the end of the first nine holes and, on the return nine, the champ shot even par the first four holes taking the match on the 13th when Coldwell went one over par.

Today in the finals Loffay will meet Joe Vallo who yesterday defeated Jinx Nolan, two up. Vallo carded a 68 for the 18 holes against a 69 turned in by Nolan, the finalist stealing the march in the nine which he toured in 33, one under par.

Southern Dutchess Country Club Golf Course Plans Opening Soon

April 14, 1940

BEACON, April 13---Opening of the golf course at the Southern Dutchess Country Club will depend upon the weather, W. Vincent Grady, chairman of the golf committee, said today. If it continues to rain the opening of the course will have to be postponed for 10 days or two weeks, but if there is clear weather, there is very possibility that the course will open next weekend. The course has been put in excellent condition by Pro Walter Madden, and considerable interest is already rampant among the members of prospective members of the club.

The Golf committee is planning to hold a red and green tournament on the course during the first week of the season, the losing team treating the winning team to a dinner at the clubhouse.

A number of new members have been secured for the tennis club at the Southern Dutchess Country Club, and the courts will be reconditioned for play during the summer. A number of tennis matches will be played with outside clubs this summer.

Over 150 Golfers Appear At Hill, Dutchess Courses

Millbrook Opening "Biggest" In Club's History; Red Hook Has 50; 75 At Beacon

April 13, 1941

While birds were twittering and buds were bursting in the April sun (knock on wood, here, so that J. Pluvius will keep his torrents under control), a genus of local sportsman generally designated throughout the land as golfers took themselves unto the tee-offs, the greens, and the fairways, to the locker rooms and club house lounging rooms, all over Dutchess country.

Favored by seldom equaled and never before surpassed weather, the Dutchess golf course were in nearly perfect condition for the hundreds of club swingers who trooped around the water hazards yesterday.

Cries of "Fore!"

Motorists, whizzing along highways with automobile tops down, caught the distant cries of "Fore!" and smiled thinking of Easter parades, tulips, daffodils, and picnics by gurgling streams. The distant cries of "Fore" floated from the sand traps out of the rough, from behind bunkers. Caddies, toting bags for the first time this season squirmed under their burdens and wiped their brows, wondering the while if setting up ten pins in bowling alleys might not be so bad after all. Late reports from the lumber camps of Paul Bunyan, which close with the coming of men with clubs, were that the Great Logger has called "quits" for the year--until he gets more cooperation from one J. Frost Esq. Thurs, as has been implied, golfing has begun.

At College Hill where Al Davis began his duties as manager, some 79 people showed up, and more are expected today for the Kicker's handicap for which James Miller is donating prizes. Ralph Yondo turning in an 80 yesterday afternoon, according to Davis, but few people actually kept count of their strokes. Charlie DeStefano, College Hill pro, vowed that he was run ragged. He is arranging for lessons already.

Over 75 members and guests turned up at the Dutchess Golf and Country Club. Jack Farmer, club captain, said late yesterday afternoon that the course is in better shape now than it has ever been before on an opening day, or at this time of the year. As was the general rule scorekeeping was at a minimum. "The boys were just getting the rust off their swings," said Farmer appropriately. Handicap activity is expected to get underway next week.

Fifty At Millbrook

Millbrook opened officially yesterday with the biggest crowd in starting season history, according to Tommy MacNamara, pro. Fifty golfers strode over the course "getting rid of their old balls." At the official opening today, more are expected. Several particularly avid golfers jumped the opener and were out all week practicing.

Although the Millbrook clubhouse is not open, it is expected to be opened very shortly--probably by the last weekend of the month. Two their greens, the first and ninth, are scheduled for service in the near future. Meanwhile practice greens are being used. Tennis courts, incidentally, will open next weekend.

Heads Committee.

Dr. Gilbert C. MacKenzie, Pleasant Valley, heads a recently elected tournament committee, members of which will meet within the next week or so to plan the club's handicaps and tournament events. With Dr. MacKenzie on the committee is Otis O'Neill, Poughkeepsie, and Edwin C. Bowdeir, Millbrook. Dr. MacKenzie said last night that he has not had a chance yet to meet with his committee. He plans no action until the club's activities are officially under way.

Edward Prender turned in a 39 at Red Hook yesterday, and Mrs. Chester Satz shot a 46--both were commendable opening day scores. Pro Emery Thomas reported a record throng over 50 and announced plans for an open sweepstakes handicap event today.

None Under 40

Southern Dutchess at Beacon, although still undergoing clubhouse repairs had nearly 100 golfers during the day. Walter Madden, Pro, declared the course in excellent

shape and the weather perfect. No one had broken 40, as far as he had heard, during the day.

Hopewell Junction's course, where Kerr Nicoll holds away, was host to about 80 golfers. "Jinx" Nolan turned in a 43 going out. The greens are a bit soft Pro Nicoll reported yesterday, but the course is in good condition for playing. A new number six green will be put into use later in the season.

Probably over 500 county residents played golf yesterday, for in addition to those already mentioned, the courses were open at Hudson River and Harlem Valley State hospitals, at Pawling, at Staatsburg, and at Vassar College.

New Regulations

In accordance with a new regulation adopted by the Vassar College board of trustees, a fee will hereafter be charged for use of the college golf course, as is customary in most colleges. Heretofore only members of the college were in the habit of making an annual contribution for upkeep of the course.

For the full season, the fee will be ten dollars for each individual or \$15 for a family of two. For spring play only, or summer play only, or fall play one, the fee will be five dollars. The spring period runs from the opening of the course through June 15, the summer period from June 15 through September 15, and the fall from September 15 to the closing.

A guest fee of 25 cents per guest per day or fraction therefor will be charged. Each guest must be accompanied by a member of the college community and no member may have more than three guest at any one time. Members of the college community who do not wish regular seasonal playing privileges may play at the guest rate.

All Employees Eligible

All Members of the college community--students, faculty, and employers--who pay the required fees will henceforth be eligible to play at any time the course is open. Heretofore employees not holding executive positions were permitted to play only during the summer vacation.

Guest fees will be collected at the first tee and a tag good for that date only will be furnished the player. Those holding seasonal playing privileges will be furnished with a non-transferable tag for the period covered by the fee paid, to be attached to the player's bag.

"We have five golfers who shot par or sub-par all the time and at least five others who are almost in their class. That gives us a well-rounded team."

Joseph Loffay, club champion last year and golf captain is one of the team's mainstays. His playing mate is Joseph Vallo, club champion in 1939 and runner-up to Loffay in last year's tournament.

OBSERVATION TOWER

May 7, 1942

PNY

Tommy McNamara is confident the pro-amateur tournament at Millbrook Sunday will draw at least 50 entries and a gallery three times as large...Specking of golf galleries, Southern Dutchess Golf Club has more than 400 tickets sold for the Ray Billows-Walter Madden vs. Jimmy Thomson-Horton Smith exhibition next Tuesday. It will be an 18-hole event and is to get under way at 4 p.m.

Play at Beacon Tuesday

May 10, 1942

HORTON SMITH, left and JIMMY THOMSON, right, will team together in an exhibition golf match against Walter Madden, county pro, and Ray Billows, New York state amateur champion, in a match at Southern Dutchess Golf Club, Beacon, Tuesday at 4 p. m. The match is scheduled for 18 holes. Smith is rated the finest putter in the game and Thomson is famed for the tremendous drives. All proceeds of the match will go to the Beacon Community Chest.

BREAKS of the GAME

May 13, 1942

PNY

BY ED ROZELL

Golfers as well as gallery appeared to enjoy the exhibition at the Southern Dutchess Golf Club yesterday. After seeing Horton Smith with Walter Madden, and Hearing them talk, a spectator could not doubt that the young links star, who incidentally, would put many a movie star to shame in the matter of looks, has a strong admiration for the Southern Dutchess Pro.

We were pleased to note that both Smith and Jimmy Thomson seemed to enjoy mingling with the gallery--joke with spectators between shots, stop here and there to sign autographs and in general act as good will ambassadors for the game of golf.

Having played the Southern Dutchess course just before the exhibition started, we were in a thorough position to appreciate each of the masterful shots of the performers. And there were some breath-taking drives, putts and recoveries during the exhibition. Thomson had one drive which was every bit of 375 yards and Ray Billows was not far behind. Jimmy got a huge kick out of beating his partner with a putter but took it as a matter of course that his drives should outrun Smith's by from 10 to 30 yards.

It was evident Thomas was set to take the course apart on the second nine. He was driving home every shot and gambling on every putt. The boys were shooting for the pin all the time where the average golfer hopes to make the green. Maybe that is one of the differences between a champ and a chump.

* * *

MORE GOLF CHATTER

Smith refused to let anything bother him. After missing a three-foot putt he said mildly, "I should have dropped that one." Again when he overshot a green he commented, half to himself, half to the gallery, "That shot was too good, I didn't think I would get that distance."

Advised to check his drive on the seventh to avoid going in a brook and informed that golfers had driven across the big ditch, Thomson wise-cracked, "Trying to put the pressure on, eh?" The be proceeded to really lay into the ball and-you guessed it-drive across the aforesaid brook.

Al Davis, the golfing Rosenthals, County Judge Flannery, Supervisor Supple, Johnny Ratka were among those pressing closest to the bamboo poles while the linksman were doing their stuff.

Overnight-Frank Sheridan placed third in the pro-amateur at Millbrook Sunday. Which is no surprise as the HRSH pro generally is up around the top of the list in competitive events...Ray Billows evidently is going to continue the odd habit he formed last year of wearing two gloves in competition...More than 50 linksman, including those who shoot good, bad and indifferent games, have told us they will take part in the USO event at the state hospital May 23...Joe Sondag made an excellent golfing debut in Dutchess by trying for the pro-amateur prize at Millbrook. We would not be surprised to see this newcomer do well for himself in valley competition.

Thomas Stars In Exhibition

Teams with Smith, Cops 5 and 4 Win

May 13, 1942

PNY

(Special to Poughkeepsie New Yorker)

BEACON - Jimmy Thomas shot a two under par 49 for 14 holes yesterday to take top honors in the exhibition match at the Southern Dutchess Golf Club as Horton Smith and Thomas downed Walter Madden, Southern Dutchess Pro, and Ray Billows, state amateur champion, 5 and 4. In addition to exhibiting his specialty, long drives, Thomas proved a wizard around the greens, much to the amassment and delight of a gallery of 300.

Thomas started unimpressively with a bogey five on the 425-yard par first hole but it was the only time during the afternoon that he went over regulation figures. He rammed down a 20-foot putt on the 220-yard fifth for a birdie two, putting the all pro team one up, shared the honor of winning the eighth with his partner in par fours as Billows and Madden each blew himself to a five and finished the first nine by paring the ninth as the other three members of the foursome took five's on the 435-yard stretch.

But golf's "siege gun" was just warning to his task as he soon proved when the second nine got under way. He boasted a 375-yard drive on the 425-yard 10th, made a beautiful chip to the green and canned a 10 footer for a birdie three. He put his team out in front with another 300-yard drive, a chip and a 15 footer for a birdie on the 12th. He held the margin with a par four on the 13th as Smith took a five.

Rain broke after the four golfers drove on the 200 yard 14th. The hole was not played out, Madden and Billows conceding their opponents a half, a not-too generous gesture as Smith, was on the green while both Billows and Madden were approximately 20 feet short.

While Thomas was the star of the exhibition, Billows turned in a brilliant performance, considering that he has played less than half a dozen rounds this year and was in the faster company the game boasts.

The Dutchess star matched par figures for the first seven holes and narrowly missed birdies on three occasions. He did not lack much of matching Thomson yard on his drives and on the few times he was in trouble made brilliant recoveries.

On the eight and ninth, the two holes on which he was over par, Ray's putts rimmed the cup but refused to drop.

Smith, whose strong point is putting could not get the feel of the Southern Dutchess Greens. He was four over regulation figures for the match and each of his excess figures was caused by three putting greens. On two other occasions he missed putts of less than five feet, which if they had dropped would have netted him birdies.

The scores:

Dutchess County Golf Clubs To Hold Memorial Tourney

South Road Course Plans Traditional Event.

DeStefano Trophy Awaits Municipal Golfer

May 27, 1942

PNY

Dutchess County Golf Clubs will observe Memorial Day this year with tournaments, most of which are assigned for the accommodation of county residents who are confined largely to their homes because of the gas shortage.

The six golf clubs in the county have made or are making special plans for the observance of the Saturday holiday.

At the Dutchess Golf and Country Club there will be the traditional three-day tournament. The first round will be played on Saturday, flights of eight being formed Friday night by the tournament committee. The winners of the first round will play a second round on Sunday, and the finals will be played June 6. Losers of the first round will play in beaten fours on Sunday. Club officials have stated that the gasoline situation will probably cause a larger turnout than that of former years. Players may sign up during the week.

The DeStefano Memorial trophy will for the fifth year await the winner of the tournament at the College Hill Golf course, which, will hold its qualifying rounds on Saturday and Sunday, with the play-offs to be held during the week. The winner of the trophy will retain possession of it until next year's winner appropriates it.

Two trophies will be offered by the Southern Dutchess Golf Club, the Flannery and the Forman. Permanent possession of these trophies will go to the golfers who eventually win them for a third time, but as yet no one has won either of them more than once. The tournament, which will consist of one-day medal play on Saturday, will be for

the benefit of the Red Cross.

The Millbrook Golf and Tennis club will probably, according to committee officials, have a special handicap tournament for members over the weekend. They expect a smaller tournament than held in the past.

Although no definite arrangements have been made at the Hudson River State Hospital Golf Club, it is expected that either a flag or a tombstone tournament will be held there. The tournament committee at the Red Hook Golf Club is in the process of making plans.

Mrs. Forman, Faloon Win Trophies in Golf

May 31, 1942

Beacon--Mrs. T. Therford Forman won the J. Gordon Flannery trophy and Jim Faloon captured the Forman trophy here yesterday in the annual Memorial Day golf tournament at the Southern Dutchess Golf and Country Club.

Mrs. Forman shot a 99 gross in the tournament, which also was for the benefit of the Red Cross, and with her handicap of 27 took first place with a net 72.

Faloon toured the course in 41-42--83, and with help from a 27 handicap had a 56 net for first place and the Forman trophy.

Lou Miller wound in second spot in the men's division, one stroke ahead of Fred McCoy. Miller fired a 44-38--82 in regulation play and with a 21 handicap finished up with a 61. McCoy had a 61 on an 81 gross and 20 handicap.

County Clubs to Hold Independence Day Tournament

Elaborate Program set For Dutchess over Fourth

College Hill Features Foursomes, Flag Day At Southern Course, Handicap at Millbrook

July 1, 1942

PNY

Four of Dutchess county's six clubs will celebrate Independence Day Saturday with annual tournaments of various kinds. Dutchess Golf and Country Club said the College Hill course in Poughkeepsie will hold Fourth of July events as will the Southern Dutchess Club in Beacon and the Millbrook Golf and Tennis Club.

The Dutchess Golf and Country Club will have a three-day tourney, with the first round being held on Saturday, the second round on Sunday and the third round on the following Saturday, July 11. The linksmen will be formed in flights of eight on a handicap basis, and the losers of the first round will be formed into beaten fours to continue play.

The women members of the club will have a best ball foursome on Saturday afternoon. Mrs. Lewis M. Shaw, captain of the women's team of the club, is arranging for this tournament, assisted by the tournament committee.

In conjunction with the holiday links activities at Dutchess, there will be a benefit play for the Red Cross. A dance for members of the club will be featured Saturday night.

At the College Hill course, the tournament will be held on Sunday, with mixed foursomes holding the limelight.

Southern Dutchess will have a "Flag Day" tournament Saturday at which all contestants will get a small American flag on which the handicaps will be printed. Prizes for this event will be awarded at the annual fall dinner.

The Millbrook Club will have a handicap tournament over the weekend and it will continue for two or three weeks. There will also be small events on the Saturday program such as putting and pitching contests. The regular championship event, according to tournament committee chairman Dr. Gilbert MacKenzie, "will be held later on in the season--if at all."

Neither the Hudson River State Hospital course nor the Red Hook Club have made any special plans for the holiday.

Elks Golf Test Set for Wednesday

July 12, 1942

BEACON--More than 60 entries have been received for the annual Mid-Hudson Elks golf tournament at the Southern Dutchess Club Wednesday. A \$25.00 defense bond will be the prize for the Elk turning in the best gross score. There will be other prizes for hole-in-one, driving, kicker's handicap, and nearest-the-pin.

A steak roast will be held at the Elk's Beacon clubhouse following the golf tourney. The steaks will be broiled by Charles Shackett.

Ashmead Beats Beacon Favorite

August 23, 1942

Beacon--Favored Joe Vallo was upset by John Ashmead, 1 up, here yesterday in the semi-finals of the Southern Dutchess Men's championship tournament.

Ashmead, not given a chance against the heavy crowd pleasers, Vallo, came through in amazing style to defeat his opponent and earn the right to clash today with Troy Aiken in the finals. Aiken stopped Allan Ritchie, 6 and 5, yesterday. Ashmead shot 36-34--70; Vallo 35-36--71.

Other results:

Flight A

Billows-Smart To Play Benefit

Meet Beacon Golfers Sunday

September 9, 1943

PNY

Ray Billows and Jimmy Smart, of the Dutchess Golf and Country Club, are polishing up their shooting irons in preparation for a big benefit match with Joe Vallo and Walt Madden this Sunday afternoon at the Beacon Links.

The match will be 18-holes starting at 2:30 P. M. on the lower Dutchess city links and the caliber of the competing golfers gives promise of a real contest. Regardless of who wins the day's honors, it will be the National War Chest, which will benefit.

Billows' recorded, as five times winner of the State Amateur title and his recognition as one of the top-ranking amateur linksmen in the United States is well known to all golf enthusiasts. Jimmy Smart is likewise rated among the best in the Hudson Valley. Jimmy, who is greens keeper at the Dutchess Golf and Country Club, has turned in many a card that brought envy to the eyes of better club stickmen.

Representing Beacon, Madden, pro at that city's course, is known for his smooth strokes and careful placement and his partner, Vallo, is the 1943 champ at the Southern Dutchess links.

Billows is the factor that golf fans believe will rest the Poughkeepsie duo as slight favorites over the Beacon golfers.

Vallo-Madden Nip Billows-Smart, 3 Up

September 13, 1943

PNY

Joe Vallo and Walt Madden tripped Ray Billows and Jimmy Smart 3 up, in an exhibition 18-hole golf match on the Beacon links yesterday.

Madden, pro at the Beacon course turned in a 72 and Vallo, Beacon city 1943 champ turned in a neat 71. Vallo had 17 pars on the 18 hole 72 par course.

Billows and Smart both played impressive golf but not good enough to compare with the steady shooting carded by the Dutchess pair. Both Poughkeepsie golfers had 12 par holes on their respective cards and Billows had the only birdie of the afternoon, on the seventeenth.

Area Golfers Plan Rematch

Beacon Combine May Visit Dutchess

September 14, 1943

PNY

Area golf fans may have a chance to see a return Billows-Smart vs. Vallo-Madden match if present plans go through. Dissatisfied with the brand of golf turned in at Beacon over the weekend, Ray Billows, five times State champ, and Jim Smart, one of the area's better golfers, offered a challenge to the Beacon pair for a return session at the Dutchess Golf and Country Club links.

Tentative plans call for the tilt to be staged on the South Road links on Sept. 26.

The Beacon match played Sunday at Beacon was taken by the lower Dutchess City's Joe Vallo and pro Walter Madden. Vallo carded a 71 for low man honors and Madden in a 72, Billows had a 72 and Smart was high man with 73.

The approximately 150 spectators in the lower Dutchess gallery netted approximately \$100 to the Beacon War Chest fund and if a return match is actually carded here, the proceeds from the event may be presented to the Poughkeepsie War Chest.

Jim Smart, Ray Billows Whip Beacon Golfers

September 27, 1943

PNY

Ray Billows and Jim smart scored a decisive 5 and 4 victory over Joe Vallo and Walt Madden at the Dutchess Golf and Country Club yesterday.

The match was a return with the Beacon pair, Vallo and Madden. The down-river golfers had defeated Billows and Smart two weeks ago on the Beacon Links and the victory for the Dutchess pair yesterday ties the series in a knot.

Billows yesterday turned in a 68 while Smart held a 73.

Pro-amateur Golf Event Scheduled at College Hill

September 8, 1944

PNY

The second in a series of Pro-amateur golf events for top ranking county linksmen will be held at the College Hill Municipal Golf Course Sunday afternoon at 1:30, pro-manager Charles DeStefano said today.

Tom McNamara took the pro event in the first event of the series which was held at his home course at the Millbrook Golf and Country Club on Aug. 20. He carded a 68, Joe Sondag, Red Hook pro, and Lew Weatherwax, an amateur from that town, copped the pro-amateur title with a 35-33--68.

Professionals who are expected to be on hand for the play at the College Hill links include McNamara, Sondag, Frank Sheridan, of the Hudson River State Hospital course; Harry Vinnall of IBM; Walter Madden, of the Southern Dutchess Golf and Country Club, Beacon; and Tom Donaher of the Wiltwyck Golf and Country Club, Kingston.

Each pro will bring three amateurs to the competition. The next scheduled event in the pro-amateur series will be held at the Hudson River State Hospital links on Sunday, Sept. 17.

Beacon Golfers Conclude season

PNY

(Special to Poughkeepsie New Yorker)

BEACON - Members of the southern Dutchess Golf Club concluded their schedule of activities for the 1945 season with the traditional team match between the "Reds" and "Greens" yesterday.

The match was completed with the teams tied so all members enjoyed a steak dinner at the clubhouse. In the past it has been customary to buy dinner for the losers.

Among those playing in the match were Jinx Nolan, club champion, and two former champions, John Ashmead and Troy Aiken.

Area Golf Courses Plan to Open Early

Good Weather Aids Workers In Repair Tasks

March 22, 1946

PNY

With continued spring weather giving greens keepers and ground crews an opportunity to work unhindered many area golf course managers and pros today promised early openings.

In several instances managers reported golfers "out" already, but in most cases the courses are in the process of being "dressed up." For many, the pa-busting season doesn't open officially until middle of April.

All managers, however, are mapping plans for a record season. Returning servicemen, eager to get the "feel" of the links again, are expected to hike the number of

players considerably. Many area tournaments and weekends of competition are down on paper.

For Poughkeepsie golfers, College Hill will be ready April 8. Pro-Manager Charles DeStefano will spend all of next week at the Hill supervise work of the course and expects everything to be ready for the official April 8 opening.

Bad Weather Holds

Like everyone else, DeStefano is keeping his fingers crossed on the weather. "We'll all be ready to play," he said, "if this good weather holes out. But don't count on anything if the weather should suddenly take a bad twist."

The Dutchess Golf and Country Club is making plans for a banner year, Carlos P. Dunn, president, reported.

Richard J. Williams, Club Captain, said a full schedule of events is planned, and that in all probability the course would be ready for play the middle of April.

At Millbrook, Tommy McNamara, hopes to have everything "ready to go" the first week in April. He said the course survived the winter "rather well" and that a number of improvements will be noted in the club in general.

Practically all pre-war club tournaments are being worked into the schedule and a full tennis program will be played.

Fire Destroys Club

The clubhouse and **** ** fire two weeks ago but by May club officials hope to have all club facilities available again.

Kerr Nicoll at Hopewell is jumping the gun this weekend, and has a number of changes and improvements completed. A new ninth tee has been completed, and many club house changes have been made, he said.

Nicoll has kept golfers out recently but the major share of his time has been spent in getting things ready for the official opening.

In Southern Dutchess, the Southern Dutchess Country Club plans a record year.

Joseph T. Mertz, house committee chairman, reported to club directors at a recent meeting that contacts for painting the interior of the club have been awarded. Pro Walter Madden said work is progressing well on the new layout.

Many Changes Planned

Roy Ketcham, greens committee chairman has submitted a report on the changes to the nine-hole course. The plans call for changing the par for the course to 34 this year. This will be **** ** the present sixth hole to take in the seventh hole which will make it a par five. It is also planned to lengthen the third hole by putting the tee on the hill in back of the **** ** ** present tee. A new par-three, 120-yard hole is planned east of the present eight green.

A scheduled of home and home team matches with area squads has been prepared and will be released at a later date. Frank Searles will be chairman of the annual Red and Green tournament which will be played the first part of May.

Dr. John R. Ross of Hudson River Sate Hospital expects the Hospital course to be ready "as soon as possible." He reported some activity recently but said most efforts have been directed toward getting everything ready for the season.

IBM

The Craig House in Beacon is working toward getting the club in shape for April 15. Pro Harry Vinall is ready for a good season.

The International Business Machine Plant 4 course will be opened shortly while a schedules of tournaments and inter-plant competition now being planned. Dan Eustace, Country Club President, said.

In Newburgh, the Powelton Club and the Newburgh Country Club are planning elaborate programs, and have scheduled openings as soon as the weather will **** ** play.

At Red Hook, the Country Club plans to follow the pattern of previous years and open April 15. Joe Sunday will be back as pro.

The two clubs in Kingston, Twaalfskill and Wiltwyck-have full programs and expect to get started **** ** ** officials expect Tommy Danaher back April 1 and have spent a considerable sum of money in improvements.

Walter Thiel of Kingston will be pro at the Twaalfskill course. While in service, Thiel, who grew up with the Kingston Club, gained recognition for building a golf course in India.

Although nothing definite has been announced regarding the set up for Staatsburg this season, recently the formation of a golf club, to be known as the Staatsburg Golf Club inc., was disclosed. The operation has leased the course at Staatsburg, formerly owned by the **** estate and now the property of Mrs. Lytle Hull.
